

How To Access the Interim Assessment Viewing System

1. Navigate to www.caaspp.org.
2. Select the **Smarter Balanced Interim Assessments** button.

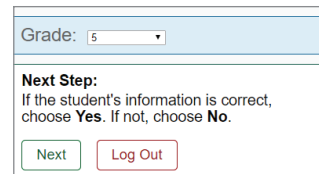

3. Select the **Interim Assessment Viewing System** button.

4. Log on with your Test Operations Management System (TOMS) credentials.

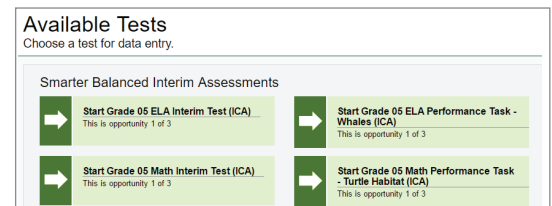

i Pop-up blockers must be disabled for this site.

5. Select the grade from the **Grade** drop down.
6. Select the **Next** button.
7. Select the Interim Assessment to be viewed.
8. Select a test form from the **Test Forms** drop down.

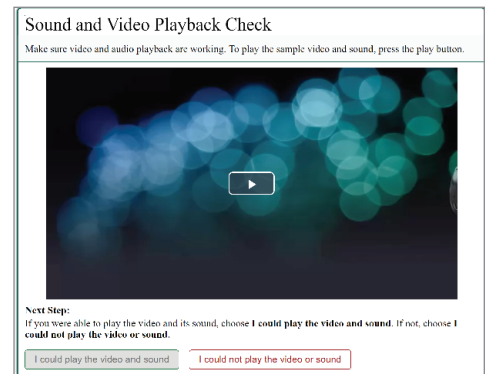

i Currently only one test form is available.

9. Select the **Next** button.

i You will see the Sound and Video Playback Check.

10. Select the **(Play)** button.
11. Select either the **I Could Play the Video and Sound** or **I Could Not Play the Video and Sound** button, depending on which option applies.

12. Enter responses to test questions to advance through the interim assessment.

i Responses are not maintained in the viewing system. After logging out of the viewing system, all entered responses are deleted.
